## Leading Ukrainian Firm Joins Morison International

Morison International is delighted to announce the appointment of LLC Audit and Consulting Group "Expert" (ACG "Expert") to the association. The firm will provide Morison International member firms with representation in Kiev and its metropolitan area. The firm also has an Eastern branch office in Severodonetsk in the Lugansk Region.

The firm was established in 2003 and is now one of the market leaders in auditing and consultative services. ACG "Expert" provides audit services, legal services, consulting and outsourcing to clients in production, oil and gas, food, construction, telecommunications and financial services industries. The firm is experienced in International Financial Reporting Standards (IFRS), International Accounting Standards (IAS) and Ukrainian Financial Reporting Standards.

ACG "Expert" is a member of the Association of Taxpayers of Ukraine and the Association of Consulting and Evaluation Firms of Ukraine (UKRconsulting). The firm is the official partner of the Institute of Professional Finance Managers (IPFM Ukraine) and co-founded the League of Auditing Companies of Ukraine.

The General Director of ACG "Expert", Dmytro Oleksiyenko, enjoys a high profile in the local business and professional community and is currently President of the Committee on Auditing Standards and Practice of the Federation of Professional Accountants and Auditors (which is a full member of IFAC).

On behalf of all member firms, Morison International would like to welcome ACG "Expert" to the association.
